## TIPS FOR LEADERS

### Advanced Honor Star pin #007400

- The Advanced Honor Star pin is given upon completion of advanced honor requirements. The Advanced Honor Star should be placed on the honor already earned.

### Instructor Diamond pin #002100

- Use the instructor diamond as a tool to get teens excited about teaching honors! Many of our pathfinders are talented in specialized areas and are more than able to teach one or more honors. The Instructor Diamond pin, #002100, is attached to the honor patch to indicate that the wearer has taught that honor.
