

Coordinator - Check my Clubs' Calendars

Step 1

Log into your YMMS account at NADYouth.com.

Step 2

On the Left-hand Menu, Click "Coordinator." Then, Click "Access by Users"

Step 3

You will see ALL Clubs' Activities for the current month by default.

You can scroll down to see all the events the Clubs have entered into their Calendars.

This is helpful to see if multiple events are scheduled for the same days.

Note:

Items in "Blue" are Club Events
Items in "Green" are Conference Events

To only view one Club's Calendar...

On the Top Left Corner

Then Click Search
